

Come and join us for a great

WVLA Fall Conference 2009 at Snowshoe Mountain!!!

A variety of lodging is available at Snowshoe Mountain from a hotel at the foot of the mountain to condominiums at the top of the mountain. Each of these lodgings have different configurations of bedding so you will need to check with reservations to determine the number of people that each room or condo can hold. Checking in to your lodging at the top of the mountain is done at the Mountaintop Check-in Center located at the Top of the World area or at the base of the mountain at the Inn at Snowshoe. Check-in for Allegheny Springs may be done at the Allegheny Springs front desk.

You will receive in a separate mailing from the Pocahontas Convention and Visitors Bureau information about the area and more specific details about amenities. You can also visit the Snowshoe Mountain website at www.snowshoemtn.com

Reservations can be made by calling 1-877-536-9757. You will need to identify yourself as part of the WVLA Conference and give the group number 5048E7. Please make your room reservations by August 26, 2009 because all rooms in the library block not reserved will be released on September 1, 2009.
